

Waves Module 1 – Equipment List and Setup

What	Qty	Activities
Stop watch	1	2,3
Ruler	1	2,3
Headphones	1	7 Part F, 8 Part B
Sound tube	1	9, 10
Sound Tube Microphone Amplifier	1	9, 10
Thermometer	1 per group	9

Setup Notes

The students will use the ruler to measure distances on the monitor screen, so it should be of soft plastic or something similar so that the screen doesn't get scratched.

The headphones need to be connected to the computers.
